

# Static Pressure Sensor

(Product code: 105-00005)

## Maximum Ag Static Pressure Sensor

The Maximum Ag DwyerStatique pressure sensor is an extremely versatile transmitter for monitoring pressure and air velocity. Along with these features, the patented magnetic sensing technology provides exceptional long term performance and enables the Magnesense® Differential Pressure Transmitter to be the single solution for your pressure and flow applications.

**1 year warranty.**

**Extremely versatile transmitter**

**Long term performance**

**Range from 0.00 to 0.40**

### Technical Informations

Range from 0.00 to 0.40
