

PERCH SCALE

Product code: 310-00004

Weighing by hand is now ancient history with the Zaxe Perch Scale!

The Zaxe Perch Scale is used in commercial laying hen farms (enriched or standard cage systems).

It is made of high quality stainless steel to withstand the worst conditions, and features exceptional accuracy with high-quality weighing cells of 250 kg (551 lbs).

- ✓ Reduces medication costs.
- ✓ Data can be used to detect anomalies and diseases.
- ✓ Allows efficient growth curves verification.

Platform designed to encourage birds to step onto the scale. Avoids animal stress caused by manual weighing. Reduces labor and economic losses.

- ✓ Made entirely of stainless steel
- ✓ Easy to set up
- ✓ 1 year warranty
- ✓ Adapts easily to most systems conceived for commercial laying hens
- ✓ Weighing cells of 250 Kg (551 lbs)
